

# Memorandum

**Date:** February 6, 2007

**To:** Honorable Chairman Bruno A. Barreiro  
and Members, Board of County Commissioners

**From:** George M. Burgess  
County Manager

**Subject:** Resolution Authorizing a Memorandum of Understanding between Miami-Dade  
Housing Agency and the Housing Finance Authority

Agenda Item No. 8(G)(1)(A)

## **RECOMMENDATION**

It is recommended that the Board of County Commissioners (BCC): (i) approve the form of a Memorandum of Understanding (MOU) between the Miami-Dade Housing Agency (MDHA) and the Housing Finance Authority (HFA) in which the MDHA is authorized to obtain temporary assistance from the HFA for the management and administration of the Surtax and State Housing Initiatives Partnership (SHIP) single-family homeownership and rehabilitation programs; and (ii) approve retroactively its execution by the director of MDHA, as the County Manager's designee.

## **BACKGROUND**

In July 2006, MDHA's Development and Loan Administration Division (DLAD) was put under the direct supervision of the Finance Department. MDHA employees continued to staff the operations of the division; however, the additional supervision and review by Finance Department staff helped to ensure the proper administration of the various single-family homeownership, rehabilitation, and construction-lending loan activities.

Effective December 8, 2006, the Surtax and SHIP single-family homeownership and rehabilitation programs have been temporarily transferred to HFA, as detailed in a separate ordinance (Ordinance) and supplemental report which will also be considered by the Board at the time the accompanying resolution is considered. These programs will remain with HFA until such time that MDHA completes assembling its management team, departmental structure and reorganization, and implementation of the proper procedures and controls to effectively administer these programs.

The Ordinance is necessary to allow both MDHA and the HFA to administer affordable housing program monies, and amendments to transfer the single-family homeownership and rehabilitation programs back to MDHA will not require future Board action. The attached MOU between HFA and MDHA addresses organizational interaction for the management of the single-family homeownership and rehabilitation programs. More specifically, the MOU allows for:

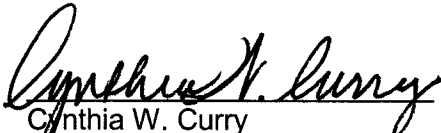

- HFA to administer, implement, and process the Surtax and SHIP single-family homeownership and rehabilitation programs for MDHA;
- HFA to provide monthly written reports to MDHA on the status and financials of the programs and allow for quarterly quality control reviews by MDHA;
- MDHA to compensate HFA for services rendered by supplying resources (i.e. staff and equipment) necessary to operate and administer the programs; and

- Transfer of the program(s), staff and equipment back to MDHA upon request by the County Manager or MDHA and or when program and administrative funding ceases.

The effective date of the MOU is December 8, 2006 and has been executed by the parties. It was essential to proceed with the MOU, prior to Board approval, in order to take advantage, as soon as possible, of the HFA's expertise and established procedures with respect to home ownership and rehabilitation by qualified individuals and families. For that reason, it is now necessary for the Board to retroactively approve the execution of the MOU on behalf of the County by the director of MDHA, as the designee of the County Manager.

MDHA shall compensate HFA for services rendered pursuant to this MOU, by supplying the staff and equipment necessary to operate the Surtax and SHIP single-family homeownership and rehabilitation programs. At this time, the associated costs are not known; however, it is not anticipated for the County to pay more for the administration of the single-family homeownership and rehabilitation programs as a result of this transfer.
